Re-elect

PETER GALTON

Southampton Liberal Democrats have chosen **Peter Galton** as their candidate for **Coxford Ward** at the local elections in May.

Peter lives locally and knows the area well. He has served the residents of Coxford ward as a local councillor since 1994.

He works hard as a member of the Focus Team keeping in touch with residents all year round with regular Focus Newsletters.

Crossings by Hospital

Cllr **Peter Galton** and the local Focus Team led by Ken Darke were very pleased to see that after much campaigning, two sets of pelican crossing lights were put in place in **Coxford Road** and **Tremona Road**. These were very much needed at these points to make it safer for all when trying to cross the road to get to the General and Princess Anne Hospitals.

NEW STREET LIGHTING

New street lighting is to be installed across the city under an initiative put forward by the Liberal Democrats. The object is to replace ageing stock with new lights. These will give a white glow instead of yellow and will be more energy efficient, reducing energy consumption by 15%. The lamps will be remotely controlled and the council will know if a lamp is in need of repair.

Peter Galton says: "This is very welcome news as many lamp columns are old and crumbling."

REPAIR OUR ROADS

Southampton Lib Dems have been campaigning for more investment to repair our roads and pavements which are in a shocking state of repair. The Council's only response has been temporary patches.

Lib Dems feel there should be:

More whole road resurfacing - temporary sticking plaster type patches are not the answer.

Full programme of planned road upgrades - that should be published so people can see when their road will be improved.

New improved quality standards - to ensure resurfacing and repair work that lasts.

FOUR STEPS TO A FAIRER BRITAIN

1. Fairer Taxes that puts money back in your pocket

Pay no tax on the first £10,000 you earn - cutting most tax bills by £700.

2. A Fair Chance for every child

Smaller class sizes, more cash for schools and abolish university tuition fees.

3. A Fair Future: create jobs by making Britain greener

Invest in public transport, renewable energy and energy efficient homes.

4. A Fair Deal for you from the politicians

Make politicians accountable and give you the right to sack corrupt MPs.

CHANGE THAT WORKS FOR YOU

The Lib Dem difference

- The Liberal Democrats will take action to protect frontline NHS services.
- We will put more police on patrol, restore the pensions' earnings link and deliver fair pay for the armed forces.
- We can make this pledge because we have identified real savings to pay for it.
- The Liberal Democrats are the only party with a plan to balance the country's books after this recession.

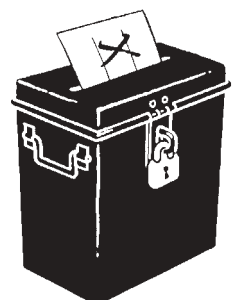

Polls are open from 7am to 10pm. If you would like a lift to the polling station, please phone Peter on 8032 4803.

On Thursday 6th May choose the candidate with a proven record of action...

Aldermoor Shops

Residents will recall that **Peter Galton** and the **Coxford Focus Team** with the support of local residents managed to ensure that works were carried out to the area around the shops and to the flats in **Bransbury Close** and **Purbrook Close**. New fencing and more parking spaces were provided in **Waltham Crescent**.

Manston Court

Cllr Peter Galton has been supportive of the new plans to improve **Manston Court**. New windows have been put in and work to the communal areas will be starting soon. Peter says: "Although he understands some residents may have concerns, he feels sure the end result will be very good."

Lordshill Community Centre

After many years of campaigning, **Cllr Peter Galton** working with various members of the community, managed to finally get funding of £150,000 towards the new **Lordshill Community Centre**. Peter says: "After such a long battle, it's great that we now have a new centre, which is now being much used and enjoyed by the community."

Coxford Rd resurfacing

Cllr Peter Galton and the Focus Team saw that this area around **Coxford Road** and **Lordshill Way** was resurfaced and new parking bays put in.

Affordable Housing
The Liberal Democrats would give a boost to affordable housing by bringing a quarter of a million empty homes back into use.

The Liberal Democrats have been fighting on issues you tell us you care most about.

- ✓ *Lib Dems proposed the **lowest Council Tax** increase of 1.5% as opposed to 2.5% voted for by both the Conservatives and Labour,*
- ✓ *Lib Dems have campaigned for more investment to repair our roads and pavements,*
- ✓ *The Lib Dems support the 10:10 Campaign to **reduce carbon emissions** by 10% by the end of 2010. This can be done in simple ways such as turning off unnecessary lights and not leaving appliances on standby, using up leftovers instead of throwing them away, reducing packaging and recycling as much as possible.*

Three Things to Remember

1. **Liberal Democrat candidate Peter Galton** works for local people all year round. He keeps in touch and get things done.
2. **The Conservatives** have cut jobs and services whilst splashing out £85,000 on a spin doctor.
3. **Labour** cannot be trusted. When in power locally, they delivered high council tax, and wasted money on luxuries.
