## A strong voice for Portswood

Portswood Liberal Democrats have chosen local campaigner **Adrian Vinson** as their candidate for the City Council election on 6th May.

**Adrian** lives in Portswood and has many years of experience speaking up for local people.

He has championed **Green issues** - climate change measures, alternative energy, public transport and protecting our open spaces, such as the Common.

**Adrian** has worked with local residents' associations to stop harmful planning applications, especially the spread of houses in multiple occupation.

Adrian Vinson

### *Three things to remember . . .*

- ★ The Lib Dems voted for a **lower Council Tax** for everyone - lower than Conservatives, lower than Labour
- ★ Only a vote for the Liberal Democrats can stop a Tory councillor. The Tories have slashed services while spending more on 'spin'.
- ★ Everyone knows that Labour, the Green Party or an independent can't win in Portswood!

*FOCUS keeps YOU informed*

# Lib Dem action for our area!

**Adrian Vinson** and the FOCUS team have a record of action for our area.

**Adrian** and the team have been working hard on your behalf:

- ✓ Pioneering **Residents' Parking** around the University; now campaigning for Portswood Park
- ✓ Working for **better roads and pavements** eg repaving Portswood Broadway
- ✓ Working for **road safety**, with pedestrian crossings in St Denys Road, and Portswood Road
- ✓ Playing a leading role to stop the Tories' sale of our **city's art**

*Adrian Vinson with Cllr Steve Sollitt at the new crossing in St Denys Road*

## Down Your Street

**Adrian** has asked the Council to: repair potholes in:

**Belmont Road, Blenheim Gardens, Brookvale Road, Highfield Lane, Nile Road, Orchards Way, Portswood Road, Richmond Gardens, Roselands Gardens, Shaftesbury Avenue, Sherborne Road, South Road, Upper Grosvenor Road, Welbeck Avenue**

clear blocked drains in:

**Heatherdeane Road, Highfield Lane, Priory Road**

deal with flooding in:

**University Road, Westridge Road**

remove flytipping in:

**Belmont Road.**
