

Park & Ride for Southampton

Southampton's roads are becoming ever-more congested, which is having a negative impact on air quality, and therefore the health of residents. The Labour-run Southampton City Council should be doing more to address the concerns of citizens with regard to traffic and pollution levels. One way to mitigate this would be to give drivers the option of Park & Ride facilities on the outskirts of the city. We call upon Southampton City Council to provide convenient Park & Ride facilities for visitors to the city.
